Collection and use of your personal data

Types of data to be collected

Personal data

When using our Service, we may ask you to provide us with certain personal information that may be used to contact or identify you. Such information may include, but is not limited to:

- E-mail address
- First and last name
- Usage data

Usage data

Usage data is collected automatically when you use the Service.

Usage data may include information such as your device's IP address (e.g., IP address), browser type, browser version, the pages of our Service that you visit, the time and date of your visit, the time spent on those pages, unique device identifiers, and other diagnostic data.

When you access the Service through your mobile device, we may automatically collect certain information, including, but not limited to, the type of mobile device you use, the unique identifier of your mobile device, the IP address of your mobile device, the operating system of your mobile device, the type of mobile internet browser you use, unique device identifiers, and other diagnostic data.

We may also collect information that your browser sends when you visit our Service or when you access the Service through a mobile device.

Tracking and cookie technologies

We use cookies and similar tracking technologies to track the activities of our Service and to store certain information. The technologies used may include:

- **Cookies or browser cookies.** Cookies are small files placed on your device. You can set your browser to refuse all cookies or to tell you when cookies are sent. However, if you do not accept cookies, you may not be able to use some parts of our Service. If you have not set your browser to refuse cookies, our Service may use cookies.
- **Web Badges.** Some parts of our Service and our emails may contain small electronic files known as web badges (also called clear gifs, pixel tags and single-pixel gifs) that allow the Company to, for example, count users who have visited those pages or opened an email and for other related website statistics (such as recording the popularity of a particular section and verifying system and server integrity).

Cookies can be "persistent" or "session" cookies. A persistent cookie remains on your personal computer or mobile device when you log off online, while a session cookie is deleted as soon as you close your web browser. You can learn more about cookies at [TermsFeed](#) .

We use both session cookies and persistent cookies for the purposes set out below:

- **Necessary / Essential Cookies**

Type: Session Cookies

Managed by: Us

Purpose: These cookies are necessary to provide you with the services available through the Website and to enable you to use some of its features. They help authenticate users and prevent fraudulent use of user accounts. Without these cookies, we cannot provide you with the services you have requested and we only use them to provide you with those services.

- **Cookie Policy / Cookie Acceptance Notice**

Type: Persistent cookies

Managed by: Us

Purpose: These cookies determine whether users have accepted the use of cookies on the Website.

- **Functional cookies**

Type: Persistent cookies

Managed by: Us

Purpose: These cookies allow us to remember your choices when you use the Website, such as remembering your login details or language preferences. The purpose of these cookies is to

provide you with a more personalized experience and to avoid having to re-enter your preferences each time you use the Website.

For more information about the cookies we use and your cookie election, please visit our Cookie Policy or the cookies section of our Privacy Policy.

Use of your personal data

The Company may use personal data for the following purposes:

- **To provide and support our Service**, including monitoring the use of our Service.
- **To manage your account:** to manage your registration as a user of the Service. The personal information you provide may give you access to various features of the Service available to you as a registered user.
- **To fulfill a contract:** to develop, honor and perform a contract for the sale of products, goods or services You have purchased, or any other contract with Us through the Service.
- **To contact you:** to communicate with you by email, phone calls, SMS or other equivalent forms of electronic communication, such as mobile application update notifications regarding updates or informational communications regarding functionality, products or concluded services, including security updates, when necessary or reasonable to implement them.
- **To provide you with** news, special offers and general information about other products, services and events we offer that are similar to those you have already purchased or inquired about, unless you have opted out of receiving such information.
- **To process your requests:** to process and manage your requests to Us.
- **For Business Transfers:** We may use your information to evaluate or effect a merger, distribution, restructuring, reorganization, liquidation or other sale or transfer of all or a portion of our assets, whether as a going concern or as part of a bankruptcy, liquidation or similar proceeding in which personal information is transferred to one or more third parties as one of our assets.
- **To protect the Company's rights and interests:** to protect and defend the Company's rights or property, including to enforce the terms and conditions of the Service, and to prevent fraud and ensure the security of the Service.
- **For security:** to provide and ensure the security of the Service and to prevent possible illegal use of the Service or violations of the Agreement.
- **To maintain and support the Service:** to maintain and support the Service or your requests.

- **To process payments:** to process payments, fulfill purchases, provide receipts and/or ship products to you.
- **To transmit data:** to transmit information to you about changes to our services, terms and policies, and other administrative information such as security notices, support and profile updates.
- **To enable you** to participate in the interactive features of the Service when you choose to do so.
- **To manage your requests:** to manage and analyze your use of the Service. Usage data includes, for example, information about your computer and your visit to the Service, such as your IP address, browser type, time spent on the page, etc.
- **For advertising purposes:** to provide you with information about our products, services, promotions, deals and events, and for other marketing and promotional purposes.

We may use your personal data to contact you by email, phone, SMS or other equivalent forms of electronic communication, including notifications of mobile application updates regarding updates or information communications regarding functionality, products or services, including security updates, where necessary or reasonable to implement them.

We may use your personal data for promotional or marketing purposes, including to offer you products, services, promotions and events that may be of interest to you.

You may opt out of receiving any or all of these communications from us by following the instructions contained in any such communication or by contacting us.

At any time you can request the deletion of your personal data by contacting us.

Transfer of your personal data

Your data, including Personal Data, may be transferred to computers located outside your state, province, country or other governmental jurisdiction where data protection laws may differ from those of your jurisdiction.

If you are located outside of the United States and choose to provide us with information, please note that we transfer data, including Personal Data, to the United States and process it there.

Your acceptance of this Privacy Policy, followed by your provision of such information, constitutes your consent to that transfer.

The Company will take all necessary measures to ensure the security of your data in accordance with this Privacy Policy, and will not share your Personal Data with third parties or organizations, except as described in this Privacy Policy.

We may disclose your personal information to affiliate companies and third party service providers to conduct our services and in order to provide support and maintenance for us.

We may disclose your personal information to law enforcement authorities in response to official requests or when required by law.

We may disclose your personal information in order to safeguard and protect the rights or safety of the Company and the rights and safety of others where permitted by law or regulation.

Security of your data

The security of your data is important to us, but please remember that no method of transmission over the Internet or method of electronic storage is 100% secure. While we strive to use commercially acceptable means to protect your personal data, we cannot guarantee its absolute security.

Links to other sites

Our Service may contain links to other sites that are not operated by us. If you click on a third party link, you will be redirected to that third party's website. We strongly encourage you to read the Privacy Policy of each site you visit.

We have no control over, and are not responsible for, the content, privacy policies, or practices of any third party sites or services.

Children

Our Service is not intended for persons under the age of 18. We do not knowingly collect personal information from anyone under the age of 18. If you are a parent or guardian and know that your child has provided us with personal information, please contact us. If we learn that we have personal information from a person under the age of 18 without verifying parental consent, we will take steps to remove that information from our servers.

Changes to this Privacy Policy

We may update our Privacy Policy from time to time. We will notify you of any changes by posting the new Privacy Policy on this page.

We will notify you by email and/or prominent notice on our Service before the change takes effect and update the "effective date" at the top of this Privacy Policy.

We encourage you to review this Privacy Policy periodically for any changes. Changes to this Privacy Policy are effective when they are posted on this page.
